

Discover® Global Network Approves ICC Solutions as a Discover, Diners Club International® and Pulse® Certification Service Provider

ICC Solutions has become an accredited Discover® Global Network Certification Services' Provider, following work carried out with Discover Global Network through their Accreditation Program.

This approval means that ICC Solutions is now authorised to deliver D-Payment Application Specification, D-PAS, End-to-End Certification services for:

- Contact and contactless POS (including Discover Debit, JCB and mPOS) Terminals for the Discover Network.
- Contact and contactless POS (including mPOS) for Diners Club International®.
- Domestic and International contact ATM for Pulse Network.
- Contact POS PIN Debit for Pulse Network.

Within this program, ICC Solutions is now a preferred Certification Vendor for Discover Global Network and can deliver:

- Full Certifications.
- Recertifications.
- Expansion Certifications.

With a long, rich history, Diners Club International and Discover Global Network provide global acceptance and enable millions of cardholder transactions each day.

Paula Turner, Chief Technology Officer at ICC Solutions, commented:

'Becoming an accredited Certification Service Provider for Discover Global Network allows us to continue our strong relationship with the Discover brand and provide greater services for merchants and acquirers within the EMV payment space. This is a welcome addition to our portfolio of services and well-deserved recognition for the team here at ICC Solutions.'
